Bidder should have minimum one valid Certificate of ISO/ CMMi	No changes
6-b	29	ISO Certification Section-III Eligibility Criteria & Mandatory Condition	The Bidder should at least have following 2 (two) valid Certificate of ISO/ CMMi <ul style="list-style-type: none"> • ISO 27001:2018 • ISO 9001:2015 • ISO 9001:2000/ or CMMI certification	Currently in referenced bid, we are pursuing minimum two certifications requirements out of ISO 27001:2018, ISO 9001:2015 and ISO 9001:2000. While these certifications are valuable, they are repetitive and mutually inclusive i.e. 9001:2015 is an upgrade to 9001:2000 certification. Our suggestion is to consolidate our efforts by focusing on newer, widely recognized and respected ISO 9001:2015 certification for quality assessment. Specifically, we appreciate the effort of adopting the ISO standard as It covers a broad range of quality management principles and practices.	No Changes
7		New Point	New Point	Request to include NSIC (National Small Industries Corporation)	No Change

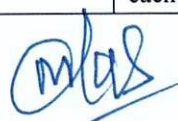

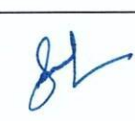

mas @ 82

				certification as a secondary allowable certification for the bid requirement. ISO and NSIC will instill confidence in the company's capabilities and either or both ISO and NSIC certifications will enhance confidence in the quality assessment criteria.
