

"Strong Democracy - Enlightened Uttarakhand"

The light of Sun, fire or the Sun-rays are a powerful medium in Nature pertaining to attract all living or Non-Living Beings. Since ages Light has been used as a means of conveying messages, giving signals in the hilly terrains. Traditionally, the practice of transmitting messages and signals was through lighting wood, burning torches or flambeaus. The Pine trees with their resins were much useful to make flambeaus. Using this local cultural trend SSR organized a programme entitled Strong Democracy. Enlightened Uttarakhand on 25th Nov 2021. Under this programme the message of Only five- Days remaining was conveyed by lighting every booth wing burning torches flambeaus. In the month of November the voter- count registration reached 3,63,845 from 1,40,528 which proved a boost to the registration - process.

On this day, the BLO of every collected people of their area to light candles, flambeaus and earthen lamps. On some places processions were organized in which people participated enthusiastically spreading the important message of compulsory young the main objective of this activity amongst the youths of and more for to become Voters at their earliest possible.

This activity proved to be highly effective as people came forward for registration of Form - 6. Mostly the section of youth participated in this Programme.
