Background

1. For the purpose of keeping a hawk eye on Polling Booths, imperative to have an Administrative Auto Monitoring System with secured Video Streaming Surveillance Camera to monitor each Polling Booth. The auto monitoring system should be robust video surveillance system with 100% video stream availability and high-quality video of Minimum 50% of Polling Station in each District out of 11647 PS at Minimum bandwidth.
2. In order to avoid any malpractices in the Election Polling Booth and to ensure transparency in the Elections, all the Election proceedings of the sensitive booths have to be monitored live from the Central office. Live Webcast enables the Election administrator to see inside the booth during the Election session and to refer any suspicious behaviour to higher authority where the video can be reviewed.
3. With above backdrop, office of Chief Electoral Uttarakhand has proposed that Live Web Casting of Poll proceedings on Poll day may be taken up about 50% of the total Polling stations in the each Districts covering 70 ACs using IP based Web Cam/HD camera and connectivity of either 4G/ 5G/ broad band, WiMAX, DSPT etc. for effective monitoring of Poll in the Polling Stations without compromising the secrecy of voting in connection with Legislative Assembly General Election, 2022. The web casting is proposed based on the local availability of connectivity in line with the directions of ECI. The actual number of Polling stations will be finalised based on the sensitivity of Polling stations and availability of connectivity. The detailed requirements and specifications as specified under "**Scope of Work**" in chapter-4

pu

3

tenderer/ bidder

- d. Alternative Bids: Alternative bids shall not be considered at all.
- e. Bid prices and Discounts:
- i. All the prices should be quoted only in Indian ` (INR) currency.
 - ii. All rates quoted must be FOR destination/ site where the equipment are to be installed & commissioned, and should include all incidental charges as shown in the Format for financial Bid (BOQ) only, CEO Uttarakhand will not pay any cartage or transportation charges.
 - iii. The prices and discounts quoted by the Tenderer/ bidder in the Price Schedule/ Commercial/Financial Bid shall conform to the requirements specified therein.
 - iv. The price to be quoted in the Bid Submission Sheet shall be the total price of the Bid including any discounts offered.
 - v. The disaggregation of price components is required solely for the purpose of facilitating the comparison of Bids by the competent authority. This shall not in any way limit the competent authority's right to contract on any of the terms offered: -
 - For Goods offered from within/ outside the country.
 - For Related Services whenever such Related Services are specified in the bidding document.
 - vi. Prices quoted by the Tenderer/ Bidder shall be fixed during the Tenderer's/ Bidder's performance of the Contract and not subject to variation on any account, unless otherwise specified in the bid document. A Bid submitted with an adjustable price quotation shall be treated as nonresponsive and shall be rejected. However, if in accordance with the bid document, prices quoted by the Tenderer/ bidder shall be subject to adjustment during the performance of the Contract, a Bid submitted with a fixed price quotation shall not be rejected, but the price adjustment shall be treated as zero.
- f. Validity of Bids:
- i. Bids shall remain valid for 180 days from the date of bid opening as prescribed by Tendering Authority. A Bid valid for a shorter period shall be rejected and treated as nonresponsive.
 - ii. In exceptional circumstances, the Tendering Authority may solicit the Tenderer's/ Bidder's consent to an extension of the period of validity. The request and the responses thereto shall be made in writing (letter/e-mail).
- g. Deadline for submission of Bids:
- i. Bids must be submitted through only website.
 - ii. Normally, the date of submission and opening of bids would not be extended. However, in exceptional circumstances or when the bidding document is required to be substantially modified as a result of pre-bid queries and the time with the prospective tenderers/ bidders for

dn B2

preparation of bids appears insufficient, the date may be extended by the tendering authority and due publicity to such change in date of opening of bids would be given. In such cases, it would be ensured that after issue of corrigendum, reasonable time is available to the tenderers/ bidders to prepare and submit their bids. Any change in date of submission and opening of bids would be intimated. However, if the modifications in bidding document, specifications of goods and service are substantial, fresh publication of original bid inquiry may also be issued.

- iii. The tendering authority may, at its discretion, extend the deadline for the submission of bids by amending the bidding document, in which case all rights and obligations of the tendering authority and tenderers/bidders previously subject to the deadline shall thereafter would be subject to the deadline as extended.

h. Delayed / Late Bids:

- i. Bids must be submitted through last date and time of submission of e-bids.

- i. Withdrawal, Substitution, and Modification of Bids: A Tenderer/ Bidder may withdraw, substitute, or modify its bid after it has been submitted before the deadline prescribed for submission of bids as per the tendering process.

j. Bid Opening:

- i. The Tendering Authority/ designated Tender Evaluation Committee shall conduct the bid opening at the date and time specified in e-Tender.
- ii. All the bids received up to the specified time and date shall be opened by the Tendering Committee.
- iii. The representatives of the tenderers/ bidders are advised to carry the identity card or a letter of authority from the tendering firms to identify their bonafides for attending the opening of the proposal. The bidder's representatives who are present shall sign the attendance register present.
- iv. The technical bids shall be opened and all the tenderers/ bidders who participated in tender shall be notified to the bidder's presence.
- v. The details of the Bid Security Declaration with each bid shall be read out loudly.

4. Bid Evaluation

a. Guiding Principle for Evaluation of Bids

- i. The tendering authority shall determine to its satisfaction whether the tenderers/bidders that is selected as having submitted the best and responsive bid is qualified to perform the Contract satisfactorily.
- ii. The determination shall be based upon an examination of the documentary evidence of the tenderer's/bidder's qualifications submitted by the tenderer/ bidder.
- iii. An affirmative determination shall be a prerequisite for award of the Contract to the tenderer/ bidder
- iv. The tendering authority / designated Tender Evaluation Committee, in

observance of best practices, shall maintain the bid evaluation process strictly confidential as per the details below.

- Reject any attempts or pressures to distort the outcome of the evaluation, including fraud and corruption.
- Strictly apply only and all of the evaluation and qualification criteria specified in the bidding document.

b. Confidentiality

- i. Information relating to the examination, evaluation, comparison, and post qualification of bids, and recommendation of contract award, shall not be disclosed to tenderers/bidders or any other persons not officially concerned with such process until publication of the Contract award.
- ii. All materials submitted by the tenderer/ bidder becomes the property of Office of Chief Electoral Officer, Uttarakhand and may be returned at its sole discretion, provided, any materials which are identified as "Proprietary and Confidential Material of Tenderer/ bidder" shall remain the property of such tenderer/ bidder.
- iii. Any attempt by a tenderer/ bidder to influence the tendering authority or other officials in the examination, evaluation, comparison, and post qualification of the bids or Contract award decisions may result in the rejection of his/her bid.
- iv. From the time of bid opening to the time of Contract award, if any tenderer/ bidder wishes to contact the tendering authority on any matter related to the bidding process, he is allowed to do so only in writing.

c. Clarification of Bids

- i. To assist in the examination, evaluation, comparison and post qualification of the bids, the tendering authority may, at its discretion, ask any tenderer/ bidder for a clarification of his/her bid. The tendering authority's request for clarification and the response shall be in writing or email.
- ii. Any clarification submitted by a tenderer/ bidder with regard to his/ her bid that is not in response to a request by the tendering authority shall not be considered.
- iii. No change in the prices or substance of the bid shall be sought, offered, or permitted, except to confirm the correction of arithmetic errors discovered by the tendering authority in the evaluation of the Commercial/ Financial Bids if any.

d. Determination of Responsiveness

- i. The tendering authority's determination of the responsiveness of a bid would be based on the contents of the bid itself.
- ii. A responsive bid would be the one that meets the requirements of the bidding document without material deviation, reservation, or omission

dh Bcr

mas

W

m

g

where: -

- "Deviation" is a departure from the requirements specified in the bidding document;
 - "Reservation" is the setting of limiting conditions or withholding from complete acceptance of the requirements specified in the bidding document; and
 - "Omission" is the failure to submit part or all of the information or documentation required in the bidding document.
- iii. A material deviation, reservation, or omission is one that, if accepted, would: -
- affect in any substantial way the scope, quality, or performance of the Goods and Related Services specified in the bidding document; or
 - limits in any substantial way, inconsistent with the bidding document, the tendering authority's rights or the bidder's obligations under the proposed Contract; or
 - if rectified, would unfairly affect the competitive position of other tenderers/bidders presenting substantially responsive bids.
- iv. The tendering authority shall examine the technical aspects of the bid in particular, to confirm that all requirements of bidding document have been met without any material deviation or reservation.
- v. The tendering authority shall compare all responsive bids to determine the best bids, in accordance with the provisions of this bidding document.
- e. Non-material Non-conformities
- i. Provided that a bid is responsive, the tendering authority may waive any nonconformity in the bid that does not constitute a material deviation, reservation or omission.
 - ii. Provided that a bid is responsive, the tendering authority may request that the tenderer/ bidder submit the necessary information or documentation, within a reasonable period of time, to rectify nonmaterial nonconformities. Requesting information or documentation on such nonconformities shall not be related to any aspect of the price of the bid. Failure of the tenderer/ bidder to comply with the request may result in the rejection of its bid.
- f. Evaluation of Bids
- i. The tendering authority/ committee shall evaluate each bid that has been determined, up to the stage of the evaluation, to be responsive.
 - ii. To evaluate a bid, the tendering authority shall use all the criteria and methodologies defined in this bidding document.
 - iii. To evaluate a bid, the tendering authority shall consider the following if any:
 - The bid price as quoted in accordance with bidding document.

dr BZ

- Price adjustment for correction of arithmetic errors in accordance with bidding document.
- Price adjustment due to discounts offered in accordance with bidding document;

g. Evaluation of Technical Bids

- i. The initial eligibility-cum-technical evaluation shall be completed by the Tendering Evaluation Committee as early as possible after opening of technical bids.
- ii. The Tendering Evaluation Committee will evaluate the Technical bids of the tenderers/Bidders as per the criteria & requirements specified in this document. A detailed evaluation of the bids shall be carried out in order to determine whether the tenderers/bidders are competent enough and whether the technical aspects are substantially responsive to the requirements set forth in the Tender Document
- iii. Bidders may be asked to provide a presentation / demonstration of the proposed solution. If the performance of the equipment is found to be unsatisfactory during the presentation / demonstration, then the committee reserves the right to reject the bid without any further conditions.
- iv. For the complete solution, each item quoted in the tender, samples shall be submitted by bidder for testing compliance to technical specifications within 2 days from the date of intimation by CEO office.
- v. The samples of those Bidders, if required, which do not conform to the technical specifications, will be rejected.
- vi. In case of any clarifications/ queries purchaser can ask for clarification from the bidder. In case the bidder does not provide clarification in time, or purchaser finds the clarification unsatisfactory purchaser can summarily reject the bid.
- vii. After approval of the technical evaluation by tendering authority, the bids of the firms which qualified in the technical evaluation shall be intimated. The commercial bids in respect of the bidders qualifying the technical bids only will be opened as notified in the e-Tender. However, in case there is a change in this scheduled date and/or time, then the technically qualified tenderers / bidders will be intimated about the date and time by a letter/email. Non receipt of E-mail will not be accepted for raising any dispute and it shall be the responsibility of the bidder.
- viii. The firms which could not qualify in technical evaluation will be informed about this fact.
- ix. In case of any clarifications/ queries purchaser can ask for clarification from the bidder. In case the bidder does not provide clarification in time, or purchaser finds the clarification unsatisfactory purchaser can summarily reject the bid.

de B C

h. Evaluation of Financial Bids

- i. The financial bids of tenderers/bidders who qualified in technical evaluation shall be opened as notified in the time and date specified by the Tendering Authority / designated Tender Evaluation Committee in the presence of the tenderers/bidders or their representatives who choose to be present.
- ii. The names of the firms, the rates given by them and conditions put, if any, shall be read out and recorded.
- iii. Conditional bids are liable to be rejected. However, financial implication of conditions may be worked out and added to the quoted price.
- iv. The price quoted by the Bidder shall include cost and expenses on all counts viz. equipment, materials, tools/ techniques/ methodologies, manpower, supervision, administration, overheads, travel, lodging, boarding, in-station & out-station expenses, etc. and any other cost involved in the supply, commissioning and delivery of services.
- v. The evaluation shall include all costs and all taxes and duties applicable to the bidder as per law of the Central / State Government/ Local Authorities.
- vi. The offers shall be evaluated and marked L1, L2, L3 etc. L1 being lowest offer and then others in ascending order.
- vii. The Tendering Authority / designated Tender Evaluation Committee shall prepare a comparative statement in tabular form and its report on evaluation of financial bids and with the recommendation to sanction the best offer to the CEO for approval viii. In case of the lowest total value quoted are same by different bidders, the tendering authority reserves the right to give the work-order to any of those bidder (with same lowest values) taking into consideration the interest of the State.

i. Correction of Errors

- i. Price Bids determined to be substantially responsive will be checked by the Tender Evaluation Committee for any errors. If there is a discrepancy between the quoted rate in figures and the quoted rate in words, the rate in words will take precedence. Arithmetic errors will be rectified on the following basis. If there is a discrepancy between the unit rate and the total cost that is obtained by multiplying the unit rate and quantity, the unit rate multiplied by quantity shall prevail and the total cost will be corrected. If there is a discrepancy between the total bid amount and the sum of various costs, the sum of the various costs shall prevail and the total bid amount will be corrected.
- ii. The amount stated in the Form of Commercial Bid will be adjusted by the Tendering Authority/designated Tender Evaluation Committee in accordance with the above-mentioned point for the correction of errors and, shall be considered as binding upon the bidder. If the bidder does not accept the corrected amount of bid, the bid will be rejected.

- j. Tendering authority's Right to Accept/ Reject any or all of the Bids: The tendering authority reserves the right to accept or reject any bid, and to annul (cancel) the bidding process and reject all Bids at any time prior to Contract award, without thereby incurring any liability to the tenderer(s)/bidder(s) or any obligation to inform the affected tenderer(s)/bidder(s) of the grounds for the Purchasers action.
- k. The Purchaser/ Biding Authority reserves the right to accept any Bid not necessarily the lowest, reject any Bid without assigning any reason.

dr BSC

CHAPTER-4: SCOPE OF WORK

The Successful bidder has to undertake the Live web streaming (both audio & video) of polling day events during the Legislative Assembly General Election, 2022 in Uttarakhand with the installation of the necessary suitable, proven web based web streaming software along with the supply of other related items as detailed below.

1. Supply, installation, commissioning and implementation of the web based audio & video streaming software in the server setup in this cured cloud environment.
2. Supply, installation, commissioning and implementation of IP based web cameras in the Pooling Stations to record and web stream the events of the Poll
3. Supply and installation internet connectivity for use in the identified polling stations on the polling day along with one manpower per polling station, to operate them to web stream the live data.
4. Supply and installation of 13 No. of 55" LED TV for use in the office of the District Election Office (DEOs), on one day before of polling day along with one manpower per DEOs, to operate them to view the live data.
5. Supply and installation of 2 No. of 65" LED TV for use in the office of the Chief Election officer (CEO) at State Head Quarter, on one day before of polling day along with two manpower, to operate them to view the live data.
6. Requirement of LED TVs may be increased at the time of poll as per the need.
7. The Video Streaming solution should be able to display multiple streams happening at the same time, in the Polling stations on TV (s) for viewing in the Offices of the CEO, DEOs & ECI.
8. Training manual and training schedules at each DEO office for the officials on the operation of the web streaming software.
9. Establishment of the centralized Help desk with minimum of 2 seaters to manage and fix the complaints/issues coming up on the Polling day at 13 districts and 1 State HQ.
10. District wise scope of work of as under :-

TABLE-A (CHAPTER-4)

Sl. No	Tender No.	Name of District	Total No. of Polling Station	No. of PS where webcasting Proposed (50% Approx)	Annual Turnover (Any Three year in last four years) 2017-18 to 2020-21 (₹ in Lac.)
1.	T-01	Uttarkashi	539	270	20.00

Note :- The number of polling station where webcasting is proposed may be increase or decrease as per directions of ECI or as per requirement.

TECHNICAL SPECIFICATIONS

1. Camera to be used during Poll

- a. IP based web camera with minimum 3 mega pixel resolution
- b. Should have Night Vision capability
- c. Zooming: 10X
- d. Should have Wide angle with 30/70-degree coverage
- e. ONVIF profile S Compliant
- f. Should support H 264 Compression standard
- g. Should have Minimum Illumination 0.05 lux
- h. Should Support 16-4096 Kbps code rate
- i. Should Support constant bit rate/variable frame rate up to 30 fps
- j. Image Control:
 - i. backlight compression
 - ii. Automatic white balance
 - iii. 3D digital noise reduction
- k. Should support display resolution 1920 X 1080

Tasks to be carried out by the service provider

Task-1: Hosting of web based streaming software

- a. The vendor shall deploy a secured and proven web based software for recording both audio and video
- b. The software should have following features
 - i. Able to record video in H264 compression standard or other equivalent open compression format which can be read by open source software solution
 - ii. Able to record at least 4 Kbps audio with good quality. This may either be encoded within the video stream or recorded as separate stream.
 - iii. The camera should be wall mounted and fixed.it should be adequately secured from physical damage.
 - iv. The camera should be placed in such a way that it should cover maximum possible area in polling station without compromising the secrecy of the vote. The light and glare should be minimum Capable of zooming in/out as per the requirements. It should be clearly capture and transmit the following aspects of the poll proceedings:
 - a) The Mock Poll.
 - b) Process if identification of voter by polling officer
 - c) Application of indelible in on the finger of the voter.
 - d) Initialization of Control Unit of EVM by presiding officer after satisfactory identification of voter.
 - e) Voters visit tio voting compartment for casting vote on BU, but without showing cover face of BU & VVPAT so that voters secrecy is

dh BZ [Handwritten signatures]

- preserved under all conditions and clear beep sound after press of the button.
- f) Presence of polling agents to the possible extent.
 - g) Sealing of EVM, VVPAT and giving copies of 17C to polling agents.
- v. During recording the Assembly Constituency No./Parliamentary Constituency No. and Polling Station No. should be clearly visible in camera view during recording.
 - vi. Further It must be ensured that in the frame used for webcasting, advertisement of any kind is not displayed.
 - vii. Both audio and video should have embedded running time stamp that comes from a secured source and approved by the Nodal officer.
 - viii. Recording should not require any specialised software for viewing and should be done using standard browsers namely Google Chrome, Internet Explorer, Firefox, Apple Safari (latest to previous 4 versions)
 - ix. Application shall be loaded from the browser and the operator should only be able to start and stop recording.
 - x. The software shall provide video streaming URL with password protection to view District wise, Assembly Constituency wise / Parliamentary constituency wise, polling station wise which will be streamed from Polling Stations. The software should provide secured data streaming over Internet with viewing access only to CEO, and such other officers authorised by CEO with user-ID and Password. The data streaming shall not be viewed by public over Internet without the permission of CEO.
 - xi. The software shall include options for
 1. Connectivity status of web camera/IP camera from the Polling station whether the stream is offline/offline 29120/ICT 3.
 2. Option for audio rotation of video with AC/District/State level on the type of user connected and option selected.
 3. Option for on demand viewing of video of Polling Station.
 - xii. Generic desktop lock must be engaged to disable all other applications from launching and connecting to Internet upon commencement of video streaming.
 - xiii. The software should be developed by the bidder and not a freeware or shareware available on Internet.
 - xiv. The user should be able to see the actual video that is being recorded.

dn BS

mas

U
ju
3

- xv. The software should be able to offer graceful degradation of recording quality in the event of poor bandwidth. This activity should be carried out automatically without any manual intervention.
- xvi. Necessary load testing should be carried out so that web streaming meets the demand and goes through smoothly with good performance.
- xvii. The software shall be able to perform query on the stored video and audio contents
- xviii. Software shall be capable to burn CD and DVD disks on windows based computer system.
- xix. The software should be able to perform queries on the stored Audio & videos contents based on multiple parameters as data, Time, location etc.
- xx. The solution should support rewind with playback option and the option to move to the current live status of recording.
- xxi. The solution should be able to display multiple streams happening at a time on one TV location. It should provide option for selection of any of the polling station at any point of time on poll day from where Video data is streamed for viewing in the office of CEO, DEOs, ROs.
- xxii. The software should list all the Polling Stations with their respective webcast after collecting and updating the details and the application Software design from the Nodal Officer.
- xxiii. Data should at no point of time hosted outside India and vendor should not access the data unless and until authorised by CEO/DEO.
- xxiv. The video recording of live streaming in the server shall be done as per the instructions of Nodal officer and should not be stored in any form in any type of device outside office of CEO after giving backups of all the videos to the office of CEO.
- xxv. The vendor should add digital water mark in the back ground of streaming videos.
- xxvi. Uploading of videos shall be carried out by the resources posted by the vendor at each identified place using web cam. HD cam and connectivity of either 4G/5G Broadband, WiMAX, DSPT etc. based on local availability.
- xxvii. At the end of each event, the web streamed data along with required report shall be handed over to client within 4 days in a hard disk for later retrieval and usage as necessary.

- xxviii. The client shall facilitate the bidder in interaction with telecom operators to ensure the uninterrupted connectivity during event towards smooth transmission of web streaming data.
- xxix. The client shall ensure safety of equipment installed by the vendor at the sites till the event is over.
- xxx. The bidder shall develop an application software that monitors the data feeding from each polling station on the poll day based on which performance status of the data feed, and the live streaming at the offices of CEO/DEO/RO will be arrived as per the service level, to levy penalty as indicated in the penalty clause. The software should be vetted by CEO before one week of deployment.
- xxxi. The vendor shall provide access for the dashboard view for more than one locations i.e. DEO, CEO, ECI HQs which should reflect point of failure, Network status, recording status, and downtime status. Network quality indicator on each camera should be made available in the user view mode and this should be computed and displayed automatically.

Task-2: Live streaming and recording of Polling at Polling station

- a. A list of Polling Stations from where live web streaming will happen shall be shared with the vendor.
- b. Number of locations for Video and Audio recording: 5825 (The number of polling station where webcasting is proposed may be increased or decreased as per directions of ECI or as per requirement).
- c. Vendor shall supply the IP camera as per specification given above
- d. These cameras will be owned and operated by the vendor and shall be taken back at the end of the assignment. Extra man power and accessories if required to set up web cameras in Polling Stations will be the responsibility of vendor.
- e. Vendor has to deploy resources at each polling station with standby equipment.
- f. The vendor has to provide suitable Internet connectivity at each location of installation of cameras for the service rendered by the vendor.
- g. The vendor is required to conduct two dry/trial runs of the process to satisfy the client that the systems are in good working conditions before at least two days of actual Poll.
- h. In case a re-poll is ordered for a booth under live streaming, the web streaming of that re poll shall continue. Payment for re poll day shall be paid extra as per the contract. This will not entail additional financial commitment.
- i. The vendor shall ensure that the recorded materials transmitted does not fall on wrong hands. Only officer authorized shall receive the material.

dm BZ 

- j. The recorded material shall be the exclusive property of CEO and neither the bidder nor any party will be entitled to utilise the same
- k. The vendor shall provide adequate compute performance on the server and storage along with suitable high speed internet / network bandwidth to accommodate multiple video streaming.
- l. Client will provide the list of Mobile phones (Presiding Officers, Pooling Officers) in an excel or CSV format to the vendor, a few hours before the start of the election process for communication purpose.
- m. The video & audio to be live streamed to the Control Centre via a server.
- n. Vendor shall deploy resources at the control centres on the day of Poll.
- o. The vendor shall provide sufficient internet bandwidth for live streaming of the Poll day events.
- p. In case of any disruption in Internet connectivity on poll day, the streaming data has to be stored in a local storage device and the same should made available in a DVD at the end of the day to the officials concerned.
- q. Number of days required for recording at each location: 1 day (24 hours or part thereof)
- r. The bidder has to supply and install the IP based web cameras, as per the minimum specification in the identified Polling stations. The Web camera should have facility of local recording in SD Cards, with minimum of 3 Megapixel camera resolution. The camera should have night vision capability, wide angle with 30/ 170 degrees' coverage. The camera should have minimum illumination of .05lux. The camera should have capability of 10X Zoom.
- s. The camera should support 16-4096 Kbps code rate, support constant bit rate/variable frame rate of up to 30 fps. Image Control: Backlight compression, Automatic white balance, 3D digital noise reduction. The minimum display should be supported is 1920x1080. The camera should be battery powered/ have battery backup.
- t. The bidder has to provide the suitable internet connectivity on all locations of installation of cameras for the services rendered by the bidder. **Specifications given in point r, s & t may be changed if ECI direct to do so. The bidder has to provide items and connectivity accordingly.**
- u. The bidder has to train all manpower provided by the DEOs to be posted at each identified Polling Station, with proper training on the usage of the web streaming software, using the camera and the internet connectivity on the day of polling and also during trial runs.
- v. The bidder is required to have at least one dry/trial runs of the process, to satisfy the Client that their systems are in good working condition at least two days before the poll day.
- w. In case of Re-poll ordered at a booth under live web streaming, the web streaming of that re-poll shall continue to be the responsibility of the bidder. This will be billed additionally by the bidder.

dm BSZ
M/AZ
M
M
M

- x. The bidder shall also provide the following, in the offices of DEO & CEO to view the live feeds of the polling day activities smoothly by providing.
 - a. Lap Top
 - b. Manpower
- y. The bidder shall ensure that the live feeds are transmitted in a secure manner to the server and then to the concerned officials up to the satisfaction of the nodal officer, for the duration when the operations are on.
- z. The bidder shall ensure that the recorded material transmitted does not fall into the hands of any party, not authorized by CEO to receive the same.

The recorded material shall be the exclusive property of the CEO and neither the bidder nor any other party will be entitled to utilize the same.

Task-4: Setting up a help desk and deployment of resources at each location.

- a. The vendor has to deploy adequate manpower to meet all the requirements of the assignment.
- b. Vendor has to set up centralised help desk in state headquarters i.e. at CEO Office Dehradun, which will operate under the control of Nodal Officer.
- c. Team with two seaters minimum shall be put in place to assist all other locations for fixing the issues that may crop up during streaming.
- d. Operation of Help Desk
 - 1. During Poll (13 District + 1 State HQ)
 - a. 3 days before Poll
 - b. Day of Poll
 - c. Day following poll
 - d. If there is a re poll, then help desk should continue till end of re poll
 - e. Skill set of resources: The resources should be skilled in the application software proposed to be deployed by the vendor (Configuration, usage, troubleshooting etc.). they should be available to assist with any issues arising during course of assignment.
 - f. The CVs of all resources to be deployed to be submitted to the client
 - g. The resources should have at least two of the identity proof (Pass Port, Aadhaar card, driving license, Pan card or other form of identity specified by client.
 - h. The CV should contain
 - 1. Name
 - 2. Date of birth

de P2c

3. Copy of identity proof
 4. Permanent address
 5. Address during last 10 years
 6. Educational qualification
 7. Experience
 8. Any criminal or civil record
- i. There may be security clearance checks conducted against the resources and the vendor may be asked to replace any all resources immediately.
 - j. The resources are required to operate around day of polling in each District constituency.
 - k. The resources have to report the duty before one day of polling and shall continue in duty till EVMs are sealed.
 - l. Training of resources and tasks to be performed
 1. Downloading the application
 2. Setting up entire recording system and resolving allied issues like connectivity, alert assistance etc.
 3. Troubleshooting of hardware, software
 4. Any other subject relevant for smooth live streaming
 - m. Training is to be conducted at district HQs at a suitable location by the vendor in consultation with DEO. Training may be for one or two days.
 - n. Postal ballot to the resources posted in respective locations as necessary.
 - o. The resource should be instructed to report on duty to the concern official when posted.

Task-5: Development of training material

- a. A detailed training material has to be developed by the vendor for the following purpose.
 1. For operating the web streaming software and cameras etc.
 2. For post event operation of video streaming footage
- b. Training material format
 1. Documentation: text based training material in the form of documents showing pictures/images and text of how to, help guides etc.
 2. Multimedia audio and video content including animations, videos etc. for the above.
 3. Manuals on the equipment, software

4. Training materials should be placed securely on the internet and authorized users may be provided access for accessing the same from web.
5. The training materials should also be available in off line mode i.e. USB drive, CD to all locations where the same can be shared and disseminated with all intended users. Help Desk resources can be act as facilitator to facilitate learning progress.

CHAPTER-5: REPORTING REQUIREMENTS AND TIME SCHEDULE FOR DELIVERABLES

The following would be the reporting requirements for the bidder:

1. An Inception Report within 1 week, from the start of the assignment. Weekly Progress Reports consisting of
 - a. All works performed by the bidder.
 - b. The Time Sheets / Attendance duly countersigned by the Nodal Officer
2. All Other Reports as required for the successful execution of this assignment.
3. Development and Maintenance of an MIS for all reporting purposes.
4. Final Report within 2 weeks of closure of all activities stipulated in the contract.
5. The reports may be submitted in hardcopy and in soft copy (through e-Mail / MIS / Shared Folder over Internet) to the officers concerned.
6. The bidder after completion of the recording activities, all data to be arranged on the Hard disks and handover to the nodal officer, within 4 days after each event (polling) is completed. After handing over the data, the bidder shall not retain any data in their computers or in any form with them. Any deviation in this regard, the bidder shall be held responsible and liable for punishment as per law. The HDD shall be provided by the bidder at his own cost.

Chapter – 6 Supply, Installation and Commissioning

1. Delivery: The ordered items shall be delivered, installed and commissioned within one week from the date of Work Order. The Successful bidders after obtaining the Consignee address shall visit the sites to assess the readiness of the site for installation. A report in this respect shall be submitted to Client.
2. The Client is solely responsible for the site preparation, if any, before the scheduled installation dates.
3. After successful Installation, commissioning and completion of the delivery to the User Department at different locations, the Bidder must obtain signed Delivery Challan in the specified format (Enterformat).
4. The details of the representatives responsible for attending the services at each client site, name and designation of the contact person and centre in-charge, higher level in-charge who is responsible to oversee the service centres, person to whom complaints can be made, in case the service provided to any centre, is not satisfactory and the contact numbers of the responsible person, fax, mobile numbers & email address must be provided well in advance to the Client.
5. In the event of non-acceptance of the items delivered by the Client, the Successful Bidder shall immediately report to client for suitable directions.

dm Bcy   

6. If there is any cancellation of the event after issuing the work order, it will be intimated within 24 Hours' time in advance.
7. The quantity mentioned in the Tender document is tentative only. Payment will be released based on the quantity used at the site and the same has to be attested by Client.
8. The Successful Bidder shall be liable and / or responsible for the compliance of all Statutory Provisions and especially those relating to Labour Laws in respect of this Contract.

Chapter-7: Service Level Requirements & penalty

1. 100% Server, Network & Power Uptime SLA: The vendor should provide with 100% Server, Network & Power Uptime SLA as standard. This shall be applicable during the election day as declared by the client and shall be applicable for 24 hours or as decided by the client. The vendor should ensure

SERVICE AVAILABILITY	Penalty : Deduction from total cost
99.9% to 100%	0%
98% to 99.8%	10%
95% to 97.9%	25%
90% and below	50%

2. The buffer should not happen in the streaming at the CEO, DEO and RO office. Vendor will develop a dashboard for reporting the buffer and failure.

Buffer and connection loss	Penalty : Deductions from the total cost
<10 point failures	0%
>10 Points Failure	10%
>50 Points Failure	25%
>100 Point Failures	50%

dm BS 

CHAPTER-8: GENERAL TERMS AND CONDITIONS

Note: Bidders must read these conditions carefully and comply strictly while sending/ submitting their Bids.

1. GSTN Certificate: Any Tenderer/ bidder who is not having GSTN cannot Bid for this tender.
2. The approved supplier shall be deemed to have carefully examined the conditions, specifications and make etc., of the goods to be supplied. If he has any doubts as to the meaning of any portion of these conditions or of the specification, drawing, etc., the bidder shall, before signing the contract, refer the same to the Purchaser and get clarifications.
3. The contractor(s) shall not assign or sub-let his contract or any substantial part thereof to any other agency.
4. Specifications, Eligible goods and services:
 - a. All articles supplied shall strictly conform to the specifications, trademark laid down in the Bid form and wherever articles have been required according to ISI/ISO/other specifications/certifications, those articles should conform strictly to those specifications/ certifications.
 - b. The supply shall be on rental basis and of very best quality and description.
 - c. The Goods must conform to the highest quality and standard. The Tenderer/ bidder shall guarantee that the Goods delivered to the Purchaser/Indenter. In case of software, the Tenderer/ bidder should guarantee that the software supplied to the Purchaser/Indenter is licensed and legally obtained.
 - d. Consistency must be maintained for the entire lot of the Goods ordered.
 - e. The Tenderer/ bidder must have spares depot in India having adequate inventory of the equipment being quoted for providing the necessary spares immediately in order to rectify any kind of fault reported.
5. The tenderer/ bidder shall be responsible for the proper packing so as to avoid damage under normal conditions of transport by sea, rail and road or air and delivery of the material in the good condition to the consignee at destination. In the event of any loss, damage, breakage or leakage or any shortage the bidder shall be liable to make good such loss and shortage found at the checking/ inspection of the material by the consignee. No extra cost on such account shall be admissible.

dm 13/2

6. The bidders may visit the sites and obtain additional information at their own cost and responsibility.
7. Insurance: The goods will be delivered at the FOR destination in perfect condition. The supplier, if he so desires may insure the valuable goods against loss by theft, destruction or damage, by fire, flood, under exposure to whether or otherwise viz., (war, rebellion, riot, etc.) The insurance charges will be borne by the supplier and Biding Authority will not pay such charges if incurred.
8. Right to vary Quantum of Work: The quantities stated in the tender are estimates. After the award of the contract, there are instances where the schools' names have been deleted or added. In such scenarios, there is every possibility that there will be excess of the quantities from that shown in the Bid notice and the bidder shall be bound to meet the required supply. The purchaser reserves the right to vary the quantity (increase/decrease) without any change in unit price (rates) or other terms & conditions.
9. Performance Security Deposit: The selected agency will be required to submit Security Deposit @ 10 % of the accepted bid value in the form of irrevocable and unconditional performance bank guarantee in favour of the Chief Electoral Officer, Uttarakhand, before the firm Work Order is issued to it. In case of failure to execute the work as per terms and conditions of the NIT/Work Order, the Security Deposit will be forfeited. Security Deposit will also be forfeited in case the selected agency fails to enter into agreement or refuses to work as per provisions of the tender.
10. Change orders: The purchaser may at any time, by a written order given to the tenderer/ bidder, make changes within the general scope of the Contract. If any such change causes an increase or decrease in the cost of, or the time required for, the tenderer's/bidder's performance of any part of the work under the contract, whether changed or not changed by the order, and equitable adjustment shall be made in the performance security, Contract Price or delivery schedule, or both, and the contract shall accordingly be amended. Any claims by the tenderer/ bidder for adjustment under this clause must be asserted within thirty (30) days from the date of the tenderer's/bidder's receipt of the purchaser's changed order.
11. Change in quantity: If the Purchaser changes the quantities (increase or decrease) of any of the Bided articles the value of the order will vary accordingly. In case Purchaser purchases less than the quantity indicated in the Bid form, the tenderer/ bidder shall not be entitled to claim any compensation.

dm 13-3
@daz
M
3

- 12.Recoveries: Recoveries of liquidated damages, short supply, breakage, rejected articles shall ordinarily be made from bills. Amount may also be withheld to the extent of short supply, breakage, rejected articles and in case of failure in satisfactory replacement by the supplier along with amount of liquidated damages shall be recovered from his dues and security deposit available with the department. In case recovery is not possible recourse action will be taken under any law in force.
- 13.Loss of Revenue to the Purchaser: The tenderer/ bidder shall be vicariously liable to indemnify the Purchaser in case of any misuse of data/information by the tenderer/ bidder, deliberate or otherwise, which comes into the knowledge of the purchaser during the performance or currency of the contract.
- 14.Contract Amendments: No variation in or modification of the terms of the Contract shall be made except by written amendment signed by both the parties i.e. the Tenderer/ bidder and the Purchaser.
15. Force Majeure:
- a. Notwithstanding the provisions of contract, the bidder shall not be liable for forfeiture of its performance security, or termination for default, if and to the extent that, its delay in performance or other failure to perform its obligations under the contract is the result of an event of Force Majeure.
 - b. For Purposes of this clause, "Force Majeure" means an event beyond the control of the tenderer/ bidder and not involving the tenderer's/bidder's fault or negligence and not foreseeable. Such events may include but are not restricted to acts of the purchaser either in its sovereign or contractual capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.
 - c. If a Force Majeure situation arises, the tenderer/ bidder shall promptly notify the purchaser in writing of such conditions and the cause thereof. Unless otherwise directed by the purchaser in writing the tenderer/ bidder shall continue to perform its obligations under the contract as far as is reasonably practical and shall seek all prevented by the force majeure event.
- 16.Termination for insolvency: The purchaser may at any time terminate the contract by giving written notice to the tenderer/ bidder, without compensation to the tenderer(s) / bidder(s), if the tenderer/ bidder becomes bankrupt or otherwise insolvent provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the purchaser.
17. Termination for Convenience: The purchaser, may, by written notice sent to

dm *B* *elab* *M* *pur* *z*

the tenderer/ bidder, terminate the contract, in whole or in part at any time for its convenience. The notice of termination shall specify that termination is for the Purchaser's convenience, the extent to which performance of work under the Contract is terminated and the date upon which such termination becomes effective.

18. Use of Contract Documents and information

a. The tenderer/ bidder shall not, without the purchaser's prior written consent, disclose the contract, or any provision thereof, or any specification, plan, drawing, pattern, sample or information furnished by or on behalf of the purchaser in connection therewith, to any person other than person employed by the tenderer/ bidder performance of the contract. Disclosure to any such employed person shall be made in confidence and shall extend only so far, as may be necessary for purposes of such performance.

i. The tenderer/ bidder shall not, without the purchaser's prior written consent, make use of any document or information enumerated in this document except for purposes of performing the contract.

19. If a tenderer/ bidder imposes conditions, which is in addition to or in conflict with the conditions mentioned herein, his/her Bid is liable to summary rejection. In any case none of such conditions will be deemed to have been accepted unless specifically mentioned in the Purchase Order issued by Purchaser or Agreement executed.

20. The contractor shall not assign or sub-let his contract or any substantial part thereof to any other agency.

21. The tenderer/ bidder shall pay the expenses of stamp duty for execution of agreement.

22. Dispute Resolution Mechanism: The Tenderer/ bidder and Office of Chief Electoral Officer, Uttarakhand shall endeavor their best to amicably settle all disputes arising out of or in connection with the Contract in the following manner

a. The Party raising a dispute shall address to the other Party a notice requesting an amicable settlement of the dispute within seven (7) days of receipt of the notice. Matter will be referred for negotiation between Officer nominated by Office of Chief Electoral Officer, Uttarakhand and the Authorized Official of the Contractor. The matter shall then be resolved between them and the agreed course of action documented within a further period of 15 days.

b. If any dispute arises out of the contract with regard to the interpretation,

dm BRS @las (M) ju 2

meaning and breach of the terms of the contract, the matter shall be referred to by the Parties to the Office of Chief Electoral Officer, Uttarakhand who will be the Sole Arbitrator and whose decision shall be final.

- c. In case any dispute between the Parties, does not settle by negotiation in the manner as mentioned above, the same may be resolved exclusively by arbitration and such dispute may be submitted by either party for arbitration within 20 days of the failure of negotiations. Arbitration shall be held in Dehradun and conducted in accordance with the provisions of Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. Each Party to the dispute shall appoint one arbitrator each and the two arbitrators shall jointly appoint the third or the presiding arbitrator. The "Arbitration Notice" should accurately set out the disputes between the parties, the intention of the aggrieved party to refer such disputes to arbitration as provided herein, the name of the person it seeks to appoint as an arbitrator with a request to the other party to appoint its arbitrator within 45 days from receipt of the notice. All notices by one party to the other in connection with the arbitration shall be in writing and be made as provided in this tender document. Each Party shall bear the cost of preparing and presenting its case, and the cost of arbitration, including fees and expenses of the arbitrators, shall be shared equally by the Parties unless the award otherwise provides. The contractor shall not be entitled to suspend the Service/s or the completion of the job, pending resolution of any dispute between the Parties and shall continue to render the Service/s in accordance with the provisions of the Contract/Agreement notwithstanding the existence of any dispute between the Parties or the subsistence of any arbitration or other proceedings. d)
- d. All legal proceedings, if necessary arises to institute may by any of the parties (Office of Chief Electoral Officer, Uttarakhand or Contractor) shall have to be lodged in courts situated in Dehradun and not elsewhere.

23. If the terms and conditions mentioned in the tender are contradicting the terms and conditions appearing elsewhere, then it shall be at the discretion of the Office of Chief Electoral Officer, Uttarakhand to choose the over-riding terms and conditions. In any case, the decision of Office of Chief Electoral Officer, Uttarakhand shall be final and binding on all parties concerned.

- should be ensured that the camera is placed at sufficient height, say 7-8 ft. above the ground.
2. The camera should be placed on a stable & sturdy platform or on a wall mounted stand and kept in fixed position.
 3. For both Online and Offline recording, the date and time stamp on video is a must.
 4. The position of the camera should be such that a broad view of the following aspects of elections (poll) proceeding are clearly captured and transmitted.
 - i) Process of identification of voter by Polling Officer;
 - ii) Application of indelible ink on the finger of voter;
 - iii) Initialization of Control Unit of EVM by Presiding Officer after satisfactory identification of voter;
 - iv) Voter's visit to Voting compartment for casting vote on the balloting unit of EVM, but without showing cover face of Ballot Unit so that voter's secrecy is preserved under all conditions.
 - v) Presence of Polling Agents to the possible extent.
 - vi) At the time of closing of poll, distribution of slips/tokens to the voters in queue.
 - vii) Sealing of EVM (BU/CU), VVPAT if used and giving copies of form 17-C to polling agents.
 5. The camera should be set up at the polling station on the previous day of the poll and dry run of the webcasting should be done under the supervision of Returning Officer (RO) the name and number of Polling Stations along with date of Poll should be pasted at such place so that the camera view will always display the information throughout.
 6. Further, it must be ensured that in the frame work used for webcasting, advertisement of any kind is not displayed.

If the Service Provider fails to deliver any or all of the goods/ services within the stipulated time period(s) specified in the Contract, or fails

- a) To supply the items as per the Delivery Schedule or within any extension thereof granted by Elections Department; or (ii) if the Successful Bidder fails to perform any of the obligation(s) under the contract; or (iii) if the Successful Bidder, in the judgment of CEO UTTARAKHAND, has engaged in fraudulent and corrupt practices in competing for or in executing the Contract.
- b) In the event of CEO UTTARAKHAND terminating the Contract in whole or in part, CEO UTTARAKHAND may procure, upon terms and in such manner as it deems appropriate, the goods and services similar to those and delivered and the Successful Bidder shall be liable to CEO UTTARAKHAND for any additional costs for such similar goods. However, the Successful Bidder shall continue the performance of the contract to the extent not terminated.
